CHOSEN TO TAKE THE STEP

"Many are called, but few are chosen."
~ Matthew 22:14

March 3, 2024

Let's start your campaign with the best encouragement of all. God's loves you! God loves you with an undying love. Throughout this year, God had been with you and will always be there for you.

Our Generosity Month this year will run through the month of March, and it is not primarily about money. It's primarily about encouraging and enhancing our love relationship with God.

I hope you will make the personal commitment to start this year proving your love for God. Week by week, event by event and step by step, the door is open to God's vision for your life. It's a beautiful vision of faith and reverence.

Remember, be attentive to the materials, attend the events, pray, and let the Holy Spirit lead you. I pray for you to have a productive, prosperous, and praiseworthy year.

Looking forward to seeing you in church.

COMMON QUESTIONS AND ANSWERS ON TITHING

Should I tithe the gross or the net?

The narrow basis of the net undermines God's promise to bless you.

How can I tithe when the amount is so large or why should I when it is so small?

The amount is irrelevant. We should tithe because we are being obedient, and it is right.

Is 'the storehouse' always the church?

Yes. The church is where God has caused God's name to dwell, and it is where those who labor in the gospel take residence.

"Many are called, but few are chosen."
~ Matthew 22:14

CHOSEN TO

TAKE THE STEP

Please do not take this moment and this material for granted! Realize that God is right now extending you and opportunity for a season for abundance.

THE GRACE OF GIVING THE TITHING WAY

This exercise puts you in the way of God's blessing without requesting that you give more money.

THE BASIS

Giving what you give in a regular, dependable, sacrificial manner. *"Upon the first day of the week, let every one of you lay aside a sum, as God has prospered you."* ~ I Corinthians 16:2

THE METHOD – HERE IT IS!

- ☐ Review and add up your giving's over the last 90 days.
- ☐ Divide that sum by 3 to get your average monthly giving.
- ☐ Determine, plan, and commit to giving that amount – on a regular basis! *(Divided monthly, weekly, or twice a month)*

THE PURPOSE

To learn what Tithing is. It is giving in a way that God can depend on, even as we depend on God. Also, to grow towards 10%.

THE GOAL

To please God and to grow in our love towards God because God is so good.

"Many are called, but few are chosen."
~ Matthew 22:14
